Featured Recipe

GRANDMA'S LEMONADE

6-8 lemons, quartered
1 1/2 cups granulated sugar

1. Mash the lemons into a stainless steel bowl (I use an old potato masher).
2. Add the sugar and mash a little more.
3. Let sit for 10 minutes.
4. Add one quart boiling water and stir to dissolve.
5. Add 1/2 quart of cold water and stir.
6. Serve in a tall glass over ice and garnish with a lemon slice.
7. Sit back, relax and enjoy this refreshment outdoors.

Speaking of refreshing, a night at the Gilded Cupid comes with a delicious feast featuring Sheila's exquisitely prepared breakfast using the freshest and finest ingredients with herbs and flowers from her gardens.
